## NEW EMAILS 3

As we approach the summer, we hope you and your families are able to find some balance in your busy summer schedules. This summer marks the start of a lot of exciting new changes. We will roll out these changes throughout the next season and we thank you in advance for your patience and cooperation as we work to improve communication, efficiency, and the overall VBC experience.

The biggest change you will note is our new email address:

[info@vacavilleballetcompany.org](mailto:info@vacavilleballetcompany.org)

This email is replacing our former AOL email and will be used to send out production updates, rehearsal schedules, and now our newsletter!

We will truly miss all the Company Members who graduated from VBC this past May and we look forward to welcoming an all new Company this Fall. Thank you to everyone who continues to support VBC—we are truly grateful for all you do!
